“MERI MATI MERA DESH CAMPAIGN”

14/08/2023

VENUE: INSTITUTE OF SCIENCE, NAGPUR

The NSS Unit of the Institute Of Science on 14/08/2023 arranged poster “Meri Mati Mera Desh Campaign” to aware the students. “Meri Mati Mera Desh” is a campaign launched by the Government of India aimed at promoting environmental conservation and sustainable development. The phrase translates to "My Land, My Country" in English. The campaign focuses on various initiatives such as forestation, water conservation, waste management, and renewable energy promotion to protect the natural resources of the country and ensure a cleaner and greener environment for future generations. It encourages citizen participation and awareness towards environmental protection and emphasizes the importance of individual responsibility in preserving the nation's natural heritage. In this program, NSS students and other students, faculties and Director of the Institute, actively participated. A rally was arranged during this program. This program was very helpful for the students and teachers in the institute to create awareness about forestation, water conservation, waste management, and renewable energy promotion to protect the natural resources of the country.

“INAUGURAL FUNCTION NSS 2023-24”

14/08/2023

VENUE: INSTITUTE OF SCIENCE, NAGPUR

The NSS Unit of the Institute Of Science on 18/08/2023 arranged the Inaugural Function of NSS 2023-24. The National Service Scheme is a voluntary Central Sector Scheme of the Government of India, under the Ministry of Youth Affairs & Sports. It was launched in 1969 to inculcate social welfare thoughts in the students by providing service to society. NSS aims to develop the personality of students through community service. It promotes social consciousness and a sense of responsibility, discipline, and dignity of labor among the youth. NSS volunteers work on various community projects aimed at addressing issues like literacy, health awareness, cleanliness drives, environmental conservation, and more. NSS activities are organized through educational institutions, both at the school and college levels. Each institution with NSS units has a program officer responsible for coordinating NSS activities. During this function, all NSS students were guided to understand the community in which they work. To understand themselves in relation to their community. To identify the needs and problems of the community and involve them in problem-solving. To develop among themselves a sense of social and civic responsibility. To utilize their knowledge in finding practical solutions to individual and community problems. To develop competence required for group living and sharing of responsibilities. To gain skills in mobilizing community participation. To acquire leadership qualities and democratic attitudes. To develop capacity to meet emergencies and natural disasters. In this program, NSS students and other students, faculties and Director of the Institute, actively participated.

STREET PLAY

23/09/2023

VENUE: Institute of Science, Nagpur

The NSS Unit of the Institute Of Science on National Service Scheme Day on 23rd September 2023, organizes street play in the institute quadrangle to give us messages on various social topics. There were four teams with four topics (a) Domestic violence (b) Plastic pollution (c) Acid attack (d) Drug addiction. The participant gives a very major and meaningful message through their act. Team (A) with the topic of Domestic Violence enacted the act to spread awareness about domestic violence and the steps that one can take in case they came across / found themselves in such a situation. The street play portrayed scenes that are a reality to many women and children in their day-to-day lives. Placards with strong messages on domestic violence were also displayed.

Team (B) with the topic of Plastic Pollution enacted the act to spread awareness about plastic pollution and the steps that one can take to reduce the pollution. The street play portrayed the harmful effects of plastic, & ways to reduce it, as plastic pollution is still rising and destroying Mother Earth. Team (C) with the topic of Acid Attacks enacted the act to spread awareness about acid attacks and the steps that one can take in case they came across / find themselves in such a situation. The street play portrayed the atrocities that women face in public places and even behind closed doors. The play calls for zero tolerance towards acid attacks against women. Team (D) with the topic of Drug Addiction enacted the act intending to spread awareness about drug addiction and the steps that one can take in case they come across / find themselves in such a situation. The street play portrayed the prohibition and prevention of drug abuse. Dr. Jairam Khobragade Director Institute Of Science, Dr. Seema Bodhke NSS Program Officer, and Dr. B.S.Navale NSS Program Officer were present.

Venue : Room No. 45

The Institute of Science proudly hosted its Inauguration Ceremony of NSS Special Camp 2023-24 on the 23rd of February, 2024. The event was anticipated with great enthusiasm by NSS volunteers, faculty members, and esteemed guests. The ceremony began with the lighting of a lamp by the guests followed by a performance of the university song. All the NSS volunteers came in traditional attire today to make the day memorable.

Key Activities Guest Lectures: The highlight of the inauguration ceremony was a series of insightful guest lectures delivered by eminent personalities in the field of science and academia. The event commenced with an opening address by Dr. Seema Bodhke, who welcomed the distinguished guests and set the tone for the day's proceedings. Distinguished Speakers: Notable speakers included today's chief guest Dr. Bhau Daydar, Ex. Programme Coordinator, NSS RTMNU. and Mr. Chandrashekhar Harihar Kulkarni, a retired IAF officer.

Both speakers shared their valuable insights into the advancements in their respective fields, inspiring the audience with their knowledge and experiences. The last lecture was by our very own librarian, Dr. Ramdas Lihitkar. Our President, Dr. Jairam Khobragade also made a speech and addressed the students. Today's Program Officers were Dr. Seema Bodhke, Dr. Balu Navale, Mr. D. P. Nandagawali, & Dr. Uma Thakur. The Student Welfare Dean, Prof. Madhavi Mardikar was also present.

In conclusion, the Inauguration Ceremony of NSS Special Camp 2023-24 at the Institute of Science, Nagpur, was a resounding success. It not only marked the beginning of a new adventure but also served as a platform for intellectual exchange and collaboration. The event emphasized the Institute's commitment to fostering a culture of learning, innovation, and community engagement. As attendees left the Auditorium, there was a palpable sense of excitement and inspiration, setting a positive tone for the upcoming academic endeavors at the Institute of Science. The ceremony was not just an inauguration; it was a celebration of knowledge, unity, and the pursuit of excellence in social service. Participating in National Service Scheme (NSS) camps offers a unique and immersive experience for students, allowing them to contribute to community development while gaining valuable life skills.

Key Details

The Institute of Science, Nagpur organized a comprehensive cleanliness drive on 24th February 2024 as part of its commitment to fostering a clean and hygienic environment on campus. The initiative aimed to instill a sense of responsibility among students and staff towards maintaining a clean and green campus. The primary objectives of the cleanliness drive were:

1. To raise awareness about the importance of cleanliness and hygiene.
2. To actively involve students and staff in the upkeep of the college premises.
3. To promote a sense of community responsibility and teamwork.
4. To contribute towards creating a positive and healthy learning environment.

Key Activities

Preparation Before the event, the committee members, consisting of program officers, and unit leaders formulated a detailed plan. This plan included: 1. Identifying key areas on campus that required attention. 2. Allocating responsibilities to different teams for effective

execution. 3. Arranging necessary cleaning supplies, such as brooms, garbage bags, masks, and gloves. 4. Promoting the event through various channels to maximize participation. Execution On the day of the cleanliness drive, NSS volunteers gathered at the Quadrangle, where they were briefed about the importance of the initiative. Teams were assigned specific areas, including the canteen area, basketball court, passageways, girls' and boys' hostels, and common areas. Each team was led by a team leader, ensuring a structured and organized approach. Volunteers actively engaged in various cleanliness activities, such as sweeping, cleaning, picking up garbage, and trash collection. The event also provided an opportunity for open discussions on maintaining cleanliness and the role of individuals in sustaining a healthy environment.

In conclusion, The cleanliness drive at the Institute of Science was a resounding success, thanks to the active participation and dedication of NSS volunteers. The event not only achieved its immediate goal of a cleaner campus but also instilled a sense of responsibility and environmental consciousness among the college community. Such initiatives play a crucial role in shaping a culture of cleanliness and sustainability within educational institutions. The cleanliness drive yielded tangible results, with noticeable improvements in the cleanliness and overall aesthetics of the college premises. The sense of community spirit was evident as everyone worked together towards the common goal of creating a cleaner and more pleasant campus. The initiative not only enhanced the physical appearance of the campus but also contributed to a positive and conducive atmosphere for learning and collaboration.

DATE : 25TH FEBRUARY, 2024
TIME : 10 AM ONWARDS

NSS Special Camp 2023-24 started with excitement and eagerness to welcome the inspiring team of Janakrosh. The Institute of Science, Nagpur collaborated with the Janakrosh team to create awareness about road safety and traffic rules. The day started with a presentation and guest lecture by the team. They enlightened us about traffic rules and safety measures which was very helpful. The session was informative as well as interactive. We had fun learning these core values with the Janakrosh team. The later part of the activity was to go to different squares and encourage people to follow traffic rules. It was the most fun and inspiring way to learn rules. We were sent to different squares in teams to make sure people were following the traffic rules and driving properly. After the lecture about traffic control and awareness, teams were divided accordingly and were taken to different squares for mock practical sessions where students were on the road for rallies to spread awareness.

In conclusion, a lot of citizens on the road appreciated our efforts and that was very encouraging for us fellow members. After that, we returned to the camps for refreshments. We can say that this day was really helpful and interactive. As students, these rules are being planted in us from the very beginning and that will surely make us responsible and aware citizens of India! Traffic awareness is a critical aspect of road safety and efficient transportation systems. With the increasing number of vehicles on the roads, it becomes imperative to educate and create awareness among the public about responsible and safe driving practices. That's why, we, NSS volunteers, took to roads with banners and posters to make citizens aware.

Blood Donation Camp with Sickle Cell Testing and Awareness Program arranged on 26th February 2024. The Institute of Science, Nagpur hosted a highly successful Blood Donation Camp along with Sickle Cell Testing. Awareness as part of its ongoing NSS Special Camp 2023-24. The event aimed to encourage voluntary blood donation, raise awareness about its importance, and contribute to the noble cause of saving lives. Different teams were assigned different areas of work such as registration, refreshments for donors, discipline, management, etc. An awareness program on Sickle Cell Anemia was also organized along with free testing. The Blood Donation Camp was set up by GMC, Nagpur, and the Sickle Cell program by Daga Hospital, Nagpur.

All the arrangements for the blood donation were made immaculately and registration for the donation started around 10: 00 am after the arrival of doctors. During the registration, all the necessary questions were asked and proper guidelines were given to the donors to ensure safe donation. After the donation refreshments were given to the donors and were asked to take proper rest. A selfie stand was made as well and feedback forms were arranged along with roses for appreciation. Later for the sickle cell testing and awareness program, a Guest lecture was conducted where the doctors explained about the disease to the students, and later on, testing was started, and all the tested data was recorded. The students got the results of the testing within ten minutes. In short, the program went on to be a successful event.

Cleanliness Drive Sanjeevan Vrudhhashram (Amgaon Deoli)

Date: 27th February 2024

On the 27th of February, the NSS special camp took place at the scenic Sanjeevan Vrudhashram in Amgaon Deoli Hingna Nagpur. The day's activities began with a hearty breakfast, setting the tone for a day filled with community engagement and camaraderie. Following breakfast, participants engaged in a thorough cleanliness drive at the venue. The lush, green surroundings provided a picturesque backdrop for the camp activities. The concerted efforts of the team contributed to maintaining the pristine condition of the venue. As the morning progressed, a dedicated team took charge of preparing lunch. Simultaneously, other students undertook the responsibility of cleaning and organizing the rooms. This collaborative effort ensured that both the communal spaces and individual accommodations were well-maintained.

After a satisfying lunch, the focus shifted to cultural events. Teams worked together to prepare for the evening's festivities, showcasing talents and fostering a sense of unity among the participants. Following the preparations, everyone retreated to their respective rooms for a brief period of rest. The evening session brought everyone together again, this time for tea and light-hearted fun games. The social interactions during this time added an element of enjoyment and bonding to the camp experience. As the day neared its end, preparations for dinner took center stage. A well-coordinated effort ensured that a delicious and nutritious meal was served. After dinner, participants were escorted to their rooms by 10 PM, ensuring a good night's rest before the next day's activities. In summary, the day at the NSS special camp was marked by a blend of community service, cultural engagement, and recreational activities, fostering a spirit of teamwork and shared experiences among the participants.

Awareness Rally & Cleanliness Drive

Nagzari (Amgaon Deoli)

Date: 28th February 2024

The second day of the NSS special camp, which took place on February 28th, was characterized by a vibrant schedule that combined physical activities, community outreach, and cultural enrichment. The day commenced early at 7:30 AM, with all participants assembling for breakfast. Each student wore colors symbolizing their respective teams, creating a visually unified and spirited atmosphere. The morning kicked off with energizing Zumba and Yoga sessions, promoting both physical well-being and team cohesion. After the morning exercises, the group set out on foot to the nearby village of Nagzari. Maintaining a synchronized line, participants walked together, reinforcing the sense of unity among the teams. Upon reaching the village, a lively rally unfolded, featuring participants chanting awareness slogans. The group interacted with villagers, extending invitations to witness a street play prepared by the students. The street play, a highlight of the day, not only entertained but also conveyed important messages. The team's interaction with the villagers continued as they visited the local school. Engaging with the small students, participants played and shared the street play, leaving a positive impact on the young minds. The distribution of chocolates added a sweet touch to the interaction. Returning to the camp venue, preparations for the evening cultural events took center stage.

After a period of rest and refreshment, participants geared up for the cultural festivities. A designated team worked on the preparation of dinner, ensuring a satisfying and nutritious meal for all. The cultural events showcased a diverse range of talents, with students presenting dance, drama, singing, and various other performances. The atmosphere was one of celebration and creativity, with teams collaborating to deliver entertaining and engaging acts. Following the cultural performances, a communal dinner was served, providing an opportunity for participants to share experiences and reflections on the day's events. By 10:30 PM, everyone was escorted to their rooms, marking the end of a day that seamlessly blended physical activities, community engagement, and cultural expression.

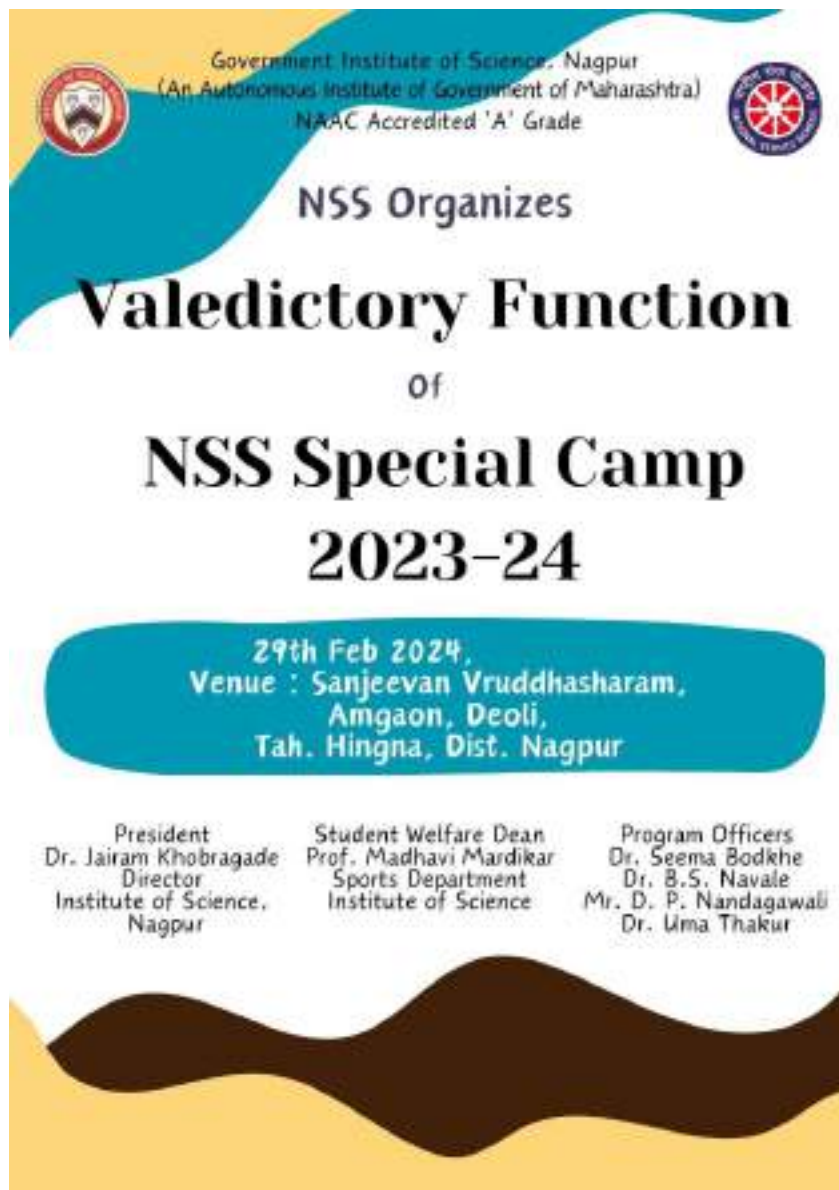

Lake Visit & Valedictory Function

NSS Special Camp 2023-24

Nagzari (Amgaon Deoli)

Date: 29th February 2024

The poster features a blue and yellow wavy background. At the top, it displays the logos of the Government Institute of Science, Nagpur and the NSS. The text is centered and reads: 'Government Institute of Science, Nagpur (An Autonomous Institute of Government of Maharashtra) NAAC Accredited 'A' Grade'. Below this, it says 'NSS Organizes' followed by 'Valedictory Function of NSS Special Camp 2023-24'. A blue rounded rectangle contains the date and venue: '29th Feb 2024, Venue : Sanjeevan Vrudhasharam, Amgaon, Deoli, Tah. Hingna, Dist. Nagpur'. At the bottom, three columns of text list the President, Student Welfare Dean, and Program Officers.

---	---	--

On the final day of the NSS special camp, which fell on the 29th of February, a memorable and fulfilling schedule unfolded, marking the culmination of the seven-day experience. The day commenced with a call for everyone to assemble at 7:30 AM. An early morning adventure awaited, as the entire group set out on foot for a visit to the nearby lake. The tranquil morning atmosphere added a sense of fresh bliss to the journey. The lake, located close to the camp venue, revealed its beauty as participants engaged in a cleanliness drive, contributing to the environmental well-being of the area. The participants seized the opportunity to capture the scenic surroundings, taking numerous photos of nature's wonders. The ambiance was further enhanced by the melodic chirping of birds, creating a serene backdrop. The experience was enriched by the simple pleasure of plucking Mahua flowers, adding a touch of natural beauty to the morning. After returning from the lake excursion, a satisfying breakfast awaited the group.

Following the morning activities, everyone had some downtime to rest and recharge before gearing up for the day's main event – the felicitation and valedictory function. This concluding function carried special significance, with the presence of many professors adding an air of formality and importance. The students received valuable feedback during this session, providing insights into the impact of the camp on their personal growth and the community they served. The valedictory function marked the official end of the NSS special

camp, bringing a sense of accomplishment and closure. The last lunch of the camp became a shared moment of reflection and camaraderie. Participants exchanged thoughts and memories, reinforcing the bonds formed throughout the camp.

After the meal, participants returned to their rooms to pack their bags and ensure the venue was left in a clean and organized state. Around 4:00 PM, the participants boarded the bus, bidding farewell to the camp venue. As they departed, they carried with them not just their belongings but a collection of memories forged through community service, cultural experiences, and the shared spirit of the NSS special camp. The seven days left an indelible mark, fostering a sense of community and purpose among all those who participated.

Throughout the seven day NSS special camp from February 23rd to 29th, participants engaged in a multifaceted experience that seamlessly blended community service, cultural enrichment, and moments of personal growth. The inaugural day saw the enthusiastic arrival at Sanjeevan Vrudhashram, with activities ranging from a cleanliness drive to cultural event preparations, creating a foundation of teamwork and shared responsibility. The final day commenced with an early morning visit to the picturesque lake, offering a serene setting for a cleanliness drive and moments of nature appreciation. The felicitation and valedictory function brought a formal end to the camp, with valuable feedback from professors underscoring the impact on personal and community development. Throughout the camp, whether through Zumba sessions, cultural performances, or shared meals, participants forged bonds and memories that transcended the activities. The three days served not only as a platform for community service but also as a canvas for self-discovery and collaboration. As participants bid farewell, they carried with them not just the memories of the activities but a sense of camaraderie, shared purpose, and a deeper understanding of the impact they can collectively make on the community and themselves. The NSS special camp became more than an event; it became a shared journey toward fostering a spirit of service, unity, and personal growth among all those who participated.
