

# **Innovation and Incubation Cell**

## **Institute of Science Nagpur**

---

**DEAN (Innovation and Incubation Cell): Dr. Kamlesh Alti**

---

**Aim:** To provide a common platform for the students as well as faculties of different departments to come together and innovate in their respective fields of interest and convert these innovations into start-ups.

**Objective:**

1. To inculcate entrepreneurial culture among students and faculties
2. To encourage innovative ideas of students for converting it into start-ups
